

## TODAY @ NEW COMMUNITY

### PVKC: PROMISELAND

As we continue *t* series, we are looking at Jesus' example, and learning that we should love others just like Jesus did.

### FUEL Middle School

In our final installment of *How Not to Ruin Your Life*, Fuel is taking one last look at bad attitudes that can keep a sky-is-the-limit life permanently grounded. Join us as we identify these attitudes and bid them farewell forever.

### AXIS High School

When people walk away from Jesus, are they walking away from God, or are they rejecting the view they have of Him? Join us as we tackle this heavy question, and be sure to bring your Bible and notebooks.

## UPCOMING EVENTS

### Baptisms

Follow the example of Jesus Christ by publicly announcing your faith in Him through water baptism on Sunday, November 29th. For more information or to sign up, stop by the kiosk.

\*It is not a requirement to go through Class 101 to be baptized.

### Christmas Giving

Partner with PVC as we give back to the community this holiday season. This year we are collecting blankets, pillows, and towels for needy families in the Rio Grande Valley. This is a gift that will last all year long! A list of items needed can be found at the kiosk.

### PVC Reaches Out

Celebrate Christmas this year with a spirit of giving by joining one of two serving opportunities through *PVC Reaches Out*. On December 12th, one team will travel to the local Penitas colonia to distribute much needed household items to families who are suffering because of poverty. On the same day a second team will travel across the border for a huge Christmas party at a children's home in Reynosa. Which event will you choose? For registration and information, stop by the kiosk.

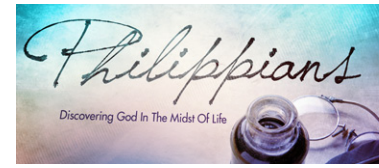

### Thanksgiving Table

Thanksgiving is just around the corner! As you celebrate, consider spending one hour with your family on Thanksgiving morning, serving a great meal to less-fortunate members of our community through the *Thanksgiving Table* at Renee's. There are opportunities for the entire family to serve. To sign up, stop by the kiosk today, or call the office at 956.585.3203.

### Family Night

Join us this Thanksgiving Eve for an outstanding evening as we come together in the sanctuary for a family night of worship and communion. PVKC 3-5th grade, Fuel, and Axis students will join with their families in the sanctuary as we honor God and celebrate the many blessings in our lives.

\*Nursery – 2nd grade class will be available.
