TODAY IN NEW COMMUNITY

PVKC: PROMISELAND

It's a review party in Palm Valley Kids' Church. Come join us, and hear all the amazing things we learned over the past 5 weeks.

FUEL Middle School

The day has finally come: Fuel Extreme Games 2010 is here! This week middle-schoolers are battling it out in a quest to win the 2010 Extreme Games trophy. Which team will walk away with victory? Join us in Fuel to find out!

AXIS High School

AXIS Student Ministries meets every Wednesday night for a time of worship and age-relevant teaching. All students, 9th –12th grades, are welcome.

UPCOMING EVENTS

PVC Motorcycle Fellowship and Ride

All bikers welcome. We will meet this Saturday, February 6th, at 10:30 a.m. in the church parking lot. Plans are for a lunch stop along the way then return to the church by mid-afternoon. No sign-up required, just show up! Any questions call Scott at 956.451.8582.

Love Wins Guatemala

Take a vacation with a purpose in 2010! On June 5th, a team from Palm Valley Church will travel to Guatemala where they will spend a week, showing God's love and making a difference in people's lives. High up in a mountainous village called Santiago Atitlan, they will be ministering in refugee camps and a beautiful home for orphaned, abandoned, and abused children. No matter what your gifts or skills are, there is something for everyone on this ministry journey. Imagine an incredible adventure-with-a-purpose—what a great way to spend your summer vacation! More information is available at the kiosk.

Fuel Gives Back

Saturday, February 13th Fuel Middle School is spreading God's love by visiting some elderly members of our community for some quality time and craft building. Fuel will be taking a short trip to nearby Waterford Gardens to provide love and compassion to those who need it. We will then return to Palm Valley for some fun group time and lunch. For more information, e-mail davidg@palmvalleychurch.com or call 956.585.3203.

PVC Worship Team Auditions

Attention all singers and musicians, the PVC band will be hosting an open audition on Saturday, February 27th at 10AM. If you're interested in trying out, please contact the Music Dept. for more information at 956.585.3203.

Exploring Evolution

Jerrel Jobe

Wednesday, February 3, 2010

Mark 9:17-18, 20

Evolutionary science *assumes that more complex life-forms evolved from less complex forms through a process of natural selection.*

The primary goal of Biblical interpretation is to discover the Biblical author's _____
_____ as he sought to be understood by his _____.

Challenges with Evolution

1. Many of those who hold a “belief” in evolution, were lead to this conclusion by a _____, not merely by means of _____.
2. Every worldview has inherent _____.
3. There is much that the _____ will never be able to account for.
